

ART OF THE *Cooper*[®]

SPECIAL SELECTION

The mark of a cooper is the insignia—a symbol of pride and passion for the long lost art of cooperage. A Cooper is a skilled barrel-maker that sets the stage for the most artfully crafted wine.

From choosing the wood for hand-carved staves, to hooping and toasting the inside of a barrel, this is an art-form passed down through the generations.

The grapes for this Limited Special Selection Cabernet Sauvignon have been thoughtfully selected from Napa County vineyards by our Winemakers, and carefully coaxed into a wine that simply cannot be passed up.
